

# Learn to Draw

*Winter / Spring 2012 - Sessions 2 & 3*

Students (Grades 1 - 5) will be given instruction in developing basic drawing skills by learning techniques and improving their observational skills through proportion, perspective, and contrast. Classes will be primarily sketchbook-based with the emphasis on process. We will practice drawing traditional subjects: the figure, objects, and landscapes with the use of different media to include: graphite, colored pencils, watercolor pencils, Conté crayon, charcoal, and chalk pastels.
