Dear Nixon Teachers and Staff:

The Nixon PTA is committed to helping everyone understand the importance of supporting our children in school activities. We encourage parents and community members to be informed about education issues in order to understand and support our school.

The "T" in PTA stands for teachers (and staff) and symbolizes the vital partnership between home and school. All individuals in the school community are part of the PTA team. By working together, parents and school personnel can help ensure successful school experiences for your students. Promoting a better understanding of PTA programs and purposes will help the PTA membership to be more effective in its youth-serving activities.

The Nixon PTA provides the setting for parents, teachers, principal, staff and community members to come together to improve the lives of children and youth through programs and activities. We invite you to join our PTA. The dues are \$ 10/person.

If you have not done so already, please consider joining the Nixon PTA today. Just complete the attached membership form and staple your check to it (made out to "Nixon PTA"), and place it in the PTA drawer located in the Nixon office. You can also join online at [Nixon PTA page](#).

Thank you for your support!

Sincerely yours,

Wenxia Yu,
Nixon PTA Membership
