

Classroom Supplies Donation Request

To make it easy for parents, Nixon PTA orders classroom supplies in bulk and asks for a per-student donation to cover costs at the start of the school year. Last year, school supplies amounted to \$17,000, which was (\$2,000) short of what we raised. In order to close this gap, we have increased the suggested donation per child slightly and ask everyone who can to contribute.

By consolidating this purchasing process we can:

- Make our money go further.
- Provide teachers with what they need, when they need it.
- Save time shopping for supplies.
- Reduce packaging waste.

Your contribution is optional, but please know that supplies will be provided for EVERY child. For those who are able, please consider donating extra for children whose families are unable to contribute.

Grades*	Suggested donation per child
K-5	\$55

How To Donate:

Include your donation in the **PTA Registration & Donation Form (section #3)**
OR write a separate check to "Nixon PTA" and send with Friday folders/ bring to school office.
OR pay online at "Nixon Shop" on <http://lmnixon.org>, select items and pay via PAYPAL

Thanks for your support!

The Nixon PTA

** For grades 1 through 5, each order now includes an individual headset for computer and iPad use that is kept at school and not shared with any other student to help prevent lice.*
