### **Agenda Item 1: Approval of December Meeting Minutes**

- The Council reviewed and approved the draft Minutes of the December 1 meeting, with one correction to Item 4.

### **Agenda Item 2: Mission and Vision Statements**

- The Council held an extended discussion regarding the materials that Mary Pat had previously distributed regarding mission and vision statements, and whether members felt that it would be worthwhile for the Council to initiate a process to develop new mission and vision statements for Nixon. At the conclusion of the discussion, it was the consensus of the Council that further input on this issue should be solicited from the Nixon staff, as well as the Council members who were not able to attend the meeting, before a decision is made on whether to undertake the mission and vision statement project.
- Mary Pat will bring a suggested process to the next Site Council meeting.
- Site Council members will informally begin soliciting input from a small group of parents regarding the mission/vision effort.

### **Agenda Item 3: Marked Quarter Mile Running/Walking Loop**

- Julie Tomz reported on what she had found out about the playground running and walking loop which had been established at Escondido school to encourage students to exercise more at recess. A discussion ensued and it was the consensus of the Council that it would benefit Nixon students to have a marked quarter mile running/walking loop at Nixon. Julie will discuss with the PE teachers where such a loop might best be located and report back to the Council at the next meeting.
