Agenda Item 2: Mission and Vision Statements

- The Council reviewed and discussed the various Mission and Vision Statements drafts and comments which had been prepared and circulated prior to the meeting. Additional suggestions were made and discussed at the meeting and a consensus was reached regarding wording and further revisions to the drafts.

Agenda Item 3: Response to Intervention Update

- Mary Pat reported on teacher and staff training activities that have taken place this year in furtherance of Nixon's support strategies and programs for prevention, detection, and early intervention to address learning deficiencies of Nixon students.

Agenda Item 4: New Site Council Representatives

- Mary Pat advised that Melissa Wilkinson and Tina Sugimoto had volunteered to serve on the Site Council starting next fall, and it was noted that because just two parent candidates had volunteered to run for the two open parent positions on the Site Council, formal election ballots were not required.

Agenda Item 5: Other Business

- Alli commented that the May Pole celebration performed by the 5th grade class at Field Day was very well received by the students and parents who attended. Vicki commented that it would be a nice community building opportunity to hold such events earlier in the school year, and a discussion ensued.
