1. Approval of Minutes –

 - Ann motions to approve, Kim seconds, Minutes approved.
2. Principal's report
 - Magnets with the safety plan are all set and ready to go for next year. They will go out in the back to school envelopes in the fall. We had a lockdown drill that went very smoothly. A time was picked that students were at their pull out (specials) time so that there were more staff members to help with checking all went smoothly. We learned a few things to make us better prepared for next year.
 - Kindergarten full day
 - Recommendation from superintendent has not gone to the school board due to budget changes. The proposal will go to the school board this month. There has been a committee to help Dr. Magee with his proposal.
 - Nixon will look at how to make an extended day schedule work for our bus times/routes.
 - PE and Music will be a part of the proposal as well as additional aide time in the classroom.
 - If it goes through it will start next fall.
3. Site Council vacancies for 2016-2017
 - There could be an election if there are more parents that would like to be a part of the council.
 - There will be vacancies for 2 teachers, 3 parents, and 1 classified member for next year.
 - Tim will send out an email to parents to ask if they are interested in joining the site council next year.
4. Comments, questions, suggestions
 - Parent Ed night will be changed for next year. The author of How to Raise an Adult, Julie Lythcott-Haims, is who we are looking at to come and speak to us. Could have another school come and join us. It is important to really get the word out about this opportunity to the parents. It should not be missed.
